PROFESSIONAL EXPERIENCE

Full Stack Developer Intern

Sep 2024 - Present

Upcode Software Labs

- **Developed and maintained** responsive web applications using **HTML, CSS, JavaScript, and React**, delivering optimized user interfaces across multiple devices.
- **Engineered and integrated** scalable **RESTful APIs** using **Node.js and Express**, with **MongoDB** for dynamic data handling and secure storage.
- **Debugged, tested, and optimized** application performance, ensuring cross-platform functionality and reducing load times
- **Utilized Git and GitHub** for **version control**, practicing **agile collaboration** and effective **team-based workflows**.
- **Collaborated on live client projects** under direct mentorship of senior developers at **Kiebot**, gaining hands-on experience in **real-world software development cycles**

PROJECTS

E-Commerce Platform - Next.js, Typescript, Lottie

- Developed a fashion-focused store frontend with product listing and filtering.
- Added smooth page transitions and responsive layouts.

Pharmacy Billing System (Backend) - Node.js, Express.js, PostgreSQL, JWT

- Developed backend APIs for pharmacy billing, customer, and inventory management.
- Secured endpoints with JWT and implemented role-based access control.

Crafting Showcase Web App - React, Vite, TypeScript, Tailwind CSS

- Created a responsive web app to manage and display crafts with category filtering and interactive dashboards.

EDUCATION

Upcode Software Labs

Sep 2024 - Present

MERN Stack Development Program

University of Calicut

2021 - 24

Bachelor of Arts in English Language and Literature
